## **CALL FOR VOLUNTEERS**

The International Solidarity Movement (ISM) needs office and field volunteers in the West Bank and Gaza Strip. You can help provide protection during non-violent demonstrations, resist home demolitions and land confiscations, accompany children and patients to school and hospital, remove roadblocks, or just share time with Palestinians, listen to them, witness, and help ensure that their voices are heard.

***A Training Program for Volunteers*** will be held all day Saturday, June 21, 2008 in Berkeley, California.
